Dear Parents and Carers,

Thank you to all staff, students and special guests creating opportunities outside of the classroom to inspire and educate our student body in Term 4.

Our Performance Assembly supported by Mr Reed and Mr Baker showcased the musical talents of students from across all years. The students who are also performing in the Day 3 Music Sessions during lunch create a platform to build confidence and self-expression.

Senior Constable Nathan Verinda, our School Liaison Officer, presented to all Year 9 and Year 10 students about Drug Awareness. The presentations were well received and delivered a strong message of social and personal responsibility. Byron Youth Theatre delivered an engaging performance to all Year 10 students and Senior Drama students. The comments from students after the performance displayed the impact of the play that centred on relationships. We continue our work with all our students to develop their social, emotional, creative and academic growth.

Wednesday Afternoon sport

A reminder to all students and parents that sport will run until the end of the year and is a compulsory part of the school curriculum. Surfing and snorkelling sports have had changes due to safety but are still being run as a sport every Wednesday. As the weather warms up students are reminded to be aware of our sun safe policy, hats and a water bottle are a good idea.

There has been an increasing amount of inappropriate swimwear at some of our water sports particularly among the girls. A reminder that swimwear must be appropriate for the activity, high cut or cheeky bikinis are best kept for the weekends not appropriate at school.
