Best of luck to our surfers Touma Cameron, Nyxie Ryan, and Juniper Harper who will travel to Margaret River for the Aussie Surf titles this week. We wish you the best!!

Congratulations to Finn Crethar who recently competed in the QLD Athletics Championships Under 18 Steeplechase. He ran a 6.27, which was the fastest time in the Under 18s QLD state results securing him a place at Nationals. Awesome effort Finn, you continue to impress us with your commitment and results.

A reminder that sport will run until Week 9 this term. All students are required to attend sport each week as part of the school curriculum. Week 10 is Activities week, students have elected activities to attend during this week.

Inter-Generational Portrait Exchange

Byron Bay High School students from Years 9 and 10 are part of an exciting community based art project that teams up young artists with the older generation. The Inter-Generational Portrait Exchange offers an opportunity for students to spend some time building a relationship with a resident from the local aged care centre, Patrick Bugden VC Gardens at Suffolk Park. Students and residents have already formed a close bond and the mutual benefits are clearly evident as students and residents alike rave about one another, comparing similarities differences and life experiences. Students are producing a body of artwork based around the identity of their Resident partner. The portraiture will be on exhibition at the Aged Care Facility from Tuesday 17 December which will remain on display until Christmas. More information about the exhibition will be posted on our facebook page. We look forward to welcoming the community to the exhibition soon.
