Surfing Australia High Performance Centre visit

19 students from Byron Bay High School had the opportunity to go to the newly renovated \$10 million dollar Surfing Australia High Performance Centre at Casuarina. It was a day of surf, video coaching and feedback, trampolining and skate sessions. The aim was to have fun and learn how to make surfing more enjoyable while also improving their technique. Mission accomplished!

The coaches commented on how rewarding and relaxing it was for them because our students were so positive and receptive to feedback.

Many thanks to Mr Russell for driving the bus, Mrs Miller for organising the excursion, and to the students for such a great day!
