

2019 Year 9 Semester 1

Course and Assessment Information

The information provided in this booklet is designed to help parents and carers better understand their child's educational programs at school.

If you have any questions about teaching and learning or assessment in your child's class please contact their Teacher or the Head Teacher concerned.

This booklet contains two sections:

- 1 Topic Maps - An overview of all Topics studied in each Year 9 Course
- 2 Assessment Task Maps - An overview of all Major Assessment Tasks in each Year 9 Course

Additional course information can be located on the NESA website <http://educationstandards.nsw.edu.au/wps/portal/nesa/home>
