5.	<p>Principal's report</p> <p>The Winter Arts festival was a great, very positive occasion.</p> <p>Janine thanked the P&C for endorsing the extra staff development day. The training was 2 days of '8ways' Aboriginal pedagogies / ways of learning and how they can be incorporated into teaching, discipline policies etc. The course covered non-linear ways of learning, creating and strengthening community links, non-verbal communication, land links and much more. 8ways is learning through culture, not teaching culture. It was really beneficial to have time with the whole staff together.</p> <p>Thank you to Sarah for being part of the head teacher maths recruitment panel. It was a successful outcome with Curtis Miles appointed as head of maths.</p> <p>Janine met with School Locker today. They are going to price the school shirts in hemp and also look at revisioning the school logo. A Caitlin Clarke design has been purchased by the school and could be incorporated into a new logo. School Locker will research what graphics can be incorporated onto hemp clothing and also the longevity of hemp and care of items.</p>

	<p>Jane MacGowan is coming back to school this term to hold consent workshops for Y8&10. Y7&9 consent workshops took place last term.</p> <p>The Y11 stage production 'Rising', based on real stories and experiences of flood and bush fire events and the community's demand for action on climate change will take place at Byron Theatre 9th August and at the PAC on 11th and 12th August. Tickets are available.</p> <p>NESA has included the school in the named flood affected schools which means current Y12 student deadlines for major projects have been extended. This includes external practical exams, drama, music, etc. No illness /misadventure forms are needed, a spreadsheet will be submitted and new deadlines advised.</p>
6.	<p>SRC update</p> <p>No update this month due to school holidays</p>
7.	<p>Parent information evening</p> <p>Survey responses – Most respondents were interested in practical parenting advice and setting boundaries with teens. P&C to discuss topics and put together a panel of experts.</p> <p>The P&C decided not to proceed with a Safe on Social talk at this event. Peter or Michelle to facilitate. Date tbc, after HSC exams. Venue: PAC.</p>
8.	<p>Fundraising and grant applications update</p> <p>A grant application was made to Splendour in the Grass for \$13k for computers. The grant recipients will be announced at the end of August.</p> <p>Wandy has been investigating the options for the colour run. Two companies were approached, one of which does St Finbars colour run. One company sets up the website and provides all the supplies. Students raise money and chose from the relevant price packs. This structure gives 60% of funds raised to the school, 30% is used for prizes for raising money and 10% is retained by the company. There is no upfront cost to the school. The other model requires a payment of \$1500-3000 to buy supplies, then the school has to recoup the costs through tickets sales etc. Lara to consult with SRC to discuss options for raising funds or selling tickets.</p> <p>Emma submitted an overview of the trivia night. Sue Charles has advised the golf club has availability to host the trivia night on 17th Nov. It was agreed to proceed with this date. The golf club will charge \$30 per meal. The ticket price will be set to include a donation to the fundraising. The P&C will launch the raffle at the start of term 4 and start collecting prizes at the beginning of Sept.</p>
9.	<p>Other business and close</p> <p>Next meeting August 16th 2022 at 7-8.30pm.</p>
