

Wednesday afternoon sports notice TERM 3 2022 SPORTS ELECTIVES

Sports choices for Term 3 2022 are listed on the back of this information letter and permission slip with details regarding each sport.

Sport will run for 10 weeks STARTING Week 1 | Wednesday 20 JULY. Students who wish to choose a paying sport must PRE-PAY WITH A SIGNED PERMISSION NOTE for that sport at the front office.

PLEASE NOTE: Early payment helps to ensure your place in your chosen sport, based on numbers available. Students cannot leave the school without a signed permission note.

- Sport choices for **paying sports** can be made **from TUESDAY 14 JUNE** at the front office.
- Sport selections for students who **have NOT selected** and paid for a sport before **THURSDAY 16 JUNE** will do so during class time.
- **All payments and permission notes must be returned by MONDAY 27 JUNE. Students who have not returned a signed permission note and money by this date will be placed in another sport.**
- Students who are sick or injured and cannot attend their chosen sport need to bring a signed note from their parents/carer to room 5 at the beginning of sport.
- **Students who will not be attending sport and need early leave from school MUST take a signed permission note from a parent/carer to the Deputy Principal before 9 am then to the front office for their leave pass.**

SPORTS UNIFORM - students are required to wear the school sports uniform at all venues or may wear suitable clothing appropriate for your particular chosen sport eg. Swimwear for the pool.

ATTENDANCE - Sport is a compulsory ROSA requirement for all students. It is requested where possible, that appointments for students are made outside these times. Students unable to attend sport due to sickness or injury are required to bring a note signed and dated by parents and apply for leave in person to the Deputy Principal before school or at recess and will be catered for **at school** where suitable activities are arranged.

Once a sport is chosen, students are not to take themselves to another sport. Due to hiring sport facilitators, no refunds can be given after the first week that sport has started. Refunds will be only given if the sport is cancelled.

Mrs K Caoyonan

✍
