

Online Sport Selection – student instructions

Your school is using the School Bytes sport management system to allow you to select and manage your sport choices/preferences online.

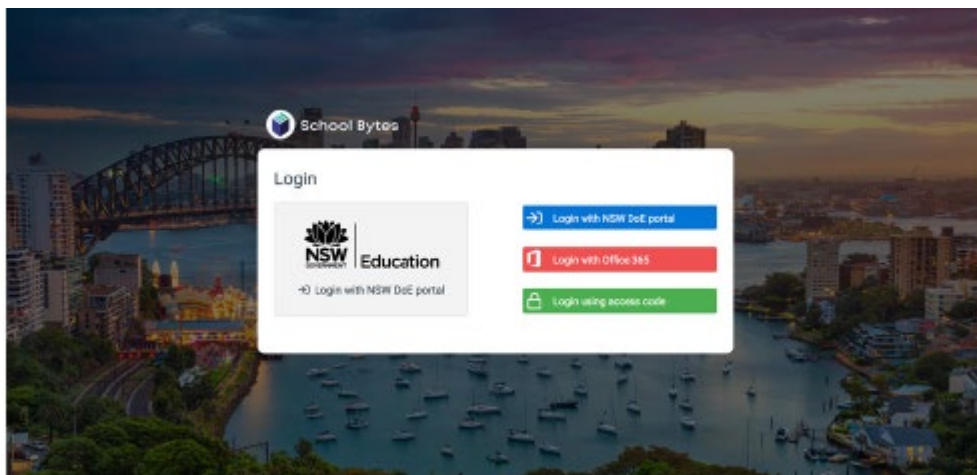

Term 2 Sport Selections OPEN @ 8 pm on Monday 13 March

Students must check emails to access the link to the page

Please talk together at home prior to Monday about your choice of sport

The steps below outline the process for a student to select their sport choices.

- 1. Students will receive an email in their school email inbox on Monday 13 March with a link to the Sport Selections.**
- 2. Students click the link in the email – this link will become active at 8 pm on Monday 13 March.**
- 3. They will be taken to the School Bytes login page. Click ‘Login with NSW DoE portal’ below the Department logo.** (This is their usual login process). Then follow the prompts.

- Students will be responsible for their selections.
- An email will be sent to students Monday 13 March - Week 8 with a link.
- Their sign-in to sport selections is identical to them signing in at school using their school email and password.
- Students will select 2 preferences and submit their choices.
- Sports will still have capacities and as they fill up, they will drop off the selection menu.
- Students who are absent from school will still have access to emails and sport selections so can still make their choices.
- Computers will be available at lunchtime in room 32 throughout Week 8 if students cannot access a phone/computer/internet at home.
- At the end of Week 8, sports selections will close, and parents will be sent an email with the sport their child has selected with a payment and permission link to be completed.
- All payments and permissions must be completed by the end of Week 9 to ensure a smooth start to school sport in Term 2.
- Any students who has not selected a sport by the end of Week 9 will be allocated a sport.
